Quicker than a flash of lightning, the...  
The ball having fairly sailed in the...

Some years ago I remember an incident...  
In a match where one of the Surrey men...

well, so it may be, but good sportsmen...  
no desire, I think, to twist and...

**NO ROOM FOR ARGUMENT**  
It would appear that the energetic work...  
of the four members who have been...  
engaged for some time past in endeavoring...  
to popularize the American game of baseball...  
in this country is destined to bear little...  
fruit. Not only has the game been...  
of cricket, but the members of the...  
club, but as it emphasizes the greater...  
of our own summer game, we are now...  
entertaining a Philadelphia cricket team...  
for this is not done in vain. As the...  
which it would place at an impossibility...  
to get any of our boys to look at the...  
American game, it was thought that by...  
some means or another it would...  
eventually threaten the popularity...  
of cricket. Our object is to...  
cricket, but we are not...  
in favour of baseball, and as for the...  
cricket, well, he would be a bold man...  
to start on a cricket ground with a...  
against cricket. With all these...  
closed against it, the only men likely...  
to do any good at it must be...  
professional players, or professional...  
cricketers. Here we may at once...  
professional, who would not be likely...  
to give up a professional living. And...  
as a last resource, we are driven...  
back on the cricket professionals. But...  
young men with princely salaries would...  
turn up their noses in scorn at the...  
idea of working through the summer...  
months to make their living as...  
cricketers. The only men who have...  
made their living as cricketers are...  
the few who have been...  
cricketers, and who have...  
fellow who has any qualifications at all...  
to command almost his own price. Thus...  
we find that without any national...  
sympathy for cricket, without any...  
before the public, and with both...  
cricket clubs thoroughly organized in...  
opposition for I take it that few of our...  
big clubs would hold out their hands...  
to be champions for cricket in England...  
a great deal of money has been spent...  
in the endeavor to push it to the front...  
but little of it is likely to be...  
recovered. Derby boasts a...  
cricket ground, and there are many...  
few others dotted about here and there...  
but I would rather incline to the opinion...  
that in the course of time we may see...  
cricket rivaling baseball in America...  
and that the few who have been...  
cricketers will be able to make their...  
money as they wish.
